

### ***Government Affairs Committee***

**Mission:** Study and analyze issues of interest Nogales/Santa Cruz County and its business community, recommend to the Board of Directors advocacy positions on those issues that the committee deems appropriate, and communicate the Chamber's viewpoint clearly and strongly to our membership, elected officials, and the community at large. On issues which the Chamber does not align itself with a particular point of view, the GAC will seek to present fair representation of both sides of the issue to the membership, elected officials and community at large.
